

Police Investigation Report

Case ID: FN-2025-006
Status: Active / Critical
Incident: Armed Bank Robbery — Koramangala Branch
Date of Incident: February 14, 2025
Location: Koramangala, Bengaluru
Lead Investigator: DSP Krishnaswamy
IPC Sections: 392, 394, 397

Incident Overview

Three armed suspects entered the commercial bank during operational hours and threatened staff and customers using firearms. Approximately ₹48 lakhs were reported stolen from the main cash vault and teller counters. One security guard sustained injuries during the altercation. The suspects fled the scene in a vehicle that was later abandoned approximately 2 km from the bank premises.

Suspect Information

At the time of report generation, no confirmed suspect identities have been established. Witnesses reported three masked male individuals armed with handguns. Investigators are currently analyzing CCTV footage, vehicle registration traces, and forensic evidence to identify and apprehend the suspects.

Investigative Recommendations

Perform facial reconstruction and gait analysis using CCTV footage. Cross-reference fingerprints with national criminal databases. Analyze mobile metadata and geo-location records near the crime scene. Interview eyewitnesses and nearby business establishments. Conduct forensic analysis of the abandoned vehicle.
